

Betashares Australian Sustainability Leaders Fund

30 April 2024

Objective

The Fund aims to track the performance of an index (before fees and expenses) that includes Australian companies that have passed screens to exclude companies with direct or significant exposure to fossil fuels or engaged in activities deemed inconsistent with responsible investment considerations.

Benefits

A 'true to label' ethical solution

The Fund's investment methodology consists of stringent index screening criteria to ensure investors get access to a 'true to label' portfolio of ethical ASX listed companies.

Industry certification

The Fund currently gains its exposure via the Betashares Australian Sustainability Leaders ETF (ASX code: FAIR). FAIR has been certified by the Responsible Investment Association Australasia (RIAA)¹.

Transparent

The Fund's portfolio holdings exposure and net asset value per unit are available daily on our website.

Low cost

The Fund aims to track the performance of an index, so there are no 'active manager' fees.
