

Access a portfolio of global sustainability leaders

The Betashares Global Sustainability Leaders Fund provides exposure to a diversified portfolio of sustainable, ethical companies from a broad range of global locations.

A 'true to label' ethical solution

The Fund combines positive climate leadership screens with a broad set of negative screens to exclude investment in companies whose activities have detrimental impacts on people, society, or the environment.

Industry certification

The Fund currently gains its exposure via the Betashares Global Sustainability Leaders ETF (ASX code: ETHI). ETHI has been certified by the Responsible Investment Association Australasia (RIAA)*.

Transparent

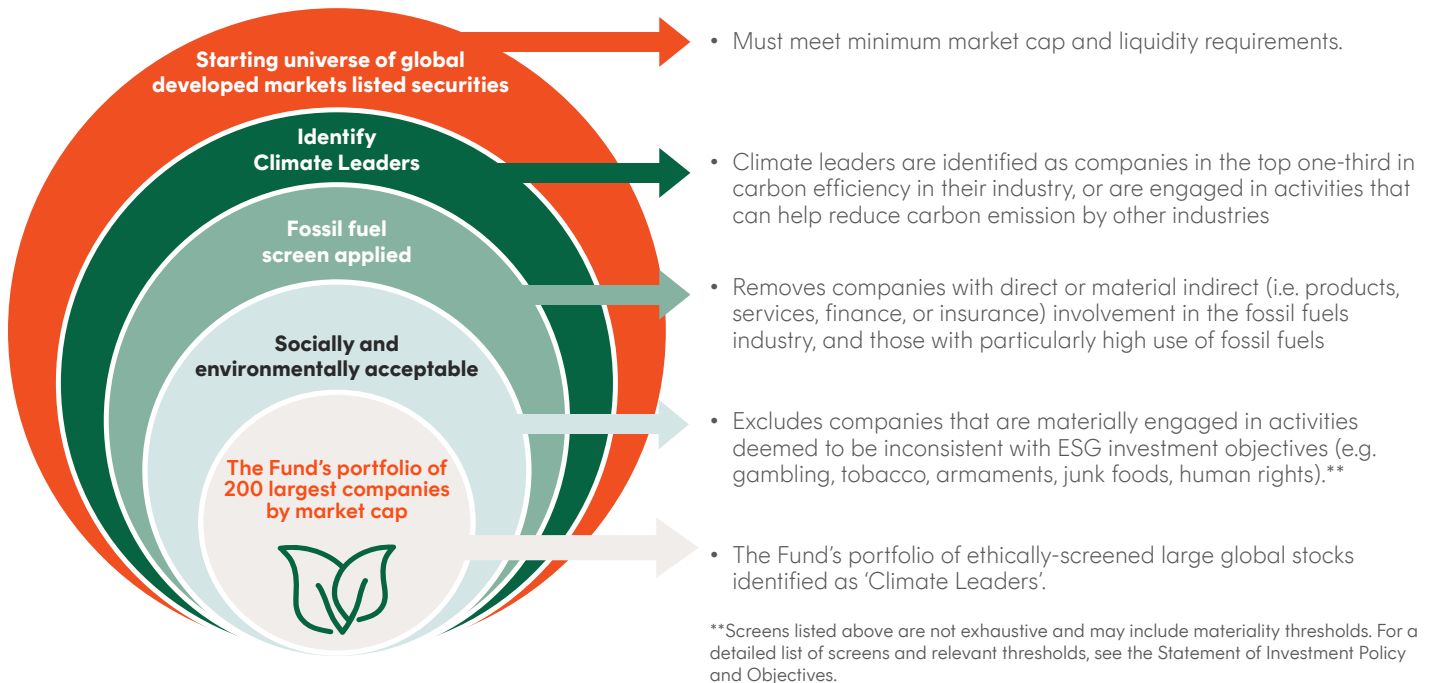

The Fund's portfolio holdings exposure and net asset value per unit are available daily on our website.

Low cost

The Fund aims to track the performance of an index, so there are no 'active manager' fees.

Index screening process
